Library Trustees Search for New North East Board Member

The Board of Trustees for the Cecil County Public Library is conducting a search for candidates to be considered for appointment to the Board. The Board seeks to fill a vacancy for a Board member from the North East region and will be conducting its interviews in October.

Applicants must be residents of Cecil County and live in greater North East. An application form may be obtained from any Cecil County Public Library branch. Call 410-996-1055, #2 for further information. Completed applications, together with a resume (if available), must be returned to the Cecil County Public Library, Office of the Director, 301 Newark Avenue, Elkton, MD 21921 by October 7.

The Library Board of Trustees operates under the Laws of Maryland, Title 23 of the Education Article. The Library Board interviews applicants and submits its nominee to the County Commissioners. The County Commissioners appoint trustees to a five-year term. A trustee may be nominated for appointment for a second term. Trustees receive no payment for their service.

Among the duties of trustees are these: to set library policy, to be an advocate for library services and facilities with officials at the local and state level, to advise in the preparation of the budget and to approve the budget, to monitor library finances, and to select locations and approve plans for library expansion.
